PREDATOR™

Our range of Predator™ hard point saws have been specially developed to meet the needs of even the most demanding professional.

Spear & Jackson began making saws 250 years ago. The wealth of experience gained over this period of time is just one of the many reasons why **Spear & Jackson** has such a unique reputation.

The **Predator™** range includes saws for four specialist purposes, giving users the most appropriate saw for the task - first fix woodworking, second fix woodworking, laminate, and UPVC cutting.

The range also includes our bestselling multi-purpose Universal saw, our Triplefast saw and our Predator X fleam tooth saw. All saws are heat-treated using the very latest technology to ensure outstanding durability and performance.
