Button and Coin Battery Safety Standard

In respect of the recent Button & Coin battery safety standard which came into effect on 22<sup>nd</sup> June, 2022. We have taken the decision to withhold from sale all Moore & Wright digital test & measurement equipment, utilising button or coin batteries, until further notice. Any existing purchase orders outstanding from this date will not be supplied.

In respect of inventory held within your distribution network, we will accept all effected Moore & Wright equipment back for full credit.

To assist in identifying inventory, we attach a listing of all Moore & Wright models effected. Please refer pages 2 & 3.

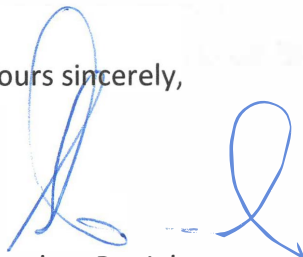

We ask that any stock to be returned is free from damage, external labelling and is in merchantable condition.

***Please note.***

- We must have from you the original purchase order number or our Invoice number to raise a credit.
- We will not accept goods purchased prior to 22nd December, 2020.
- We reserve the right to inspect goods on return and reject those with damaged packaging, dirt or labels affixed.

If you have any further questions, please don't hesitate to contact me.

Yours sincerely,

Stephen Daniel  
Managing Director  
Spear & Jackson (Aust & NZ)
