Since 1760

## Tyzack Plastering Tools

Ever since Joseph Tyzack introduced steel blades to replace traditional wooden trowels in the late 19th century, the **TYZACK** name has set the standard for quality plastering tools. Another innovation was a patented design enabling the blade to be attached to the tang without the need for the rivets to go right through the blade thereby ensuring a totally smooth finish. Importantly, all **TYZACK** trowels are hand 'dished' by time served craftsmen to create a convex blade, solving the problem of 'drag lines' when finishing.

Additional features such as hardened and spring tempered blades also ensure that **TYZACK** tools are strong, durable and give outstanding performance. Available in both carbon and stainless steel with a variety of blade sizes and ergonomic handle options, **TYZACK** is the ultimate in comfort and performance.

# Plastering Tyzack Trowels

Pre-worn to professional standards, our revolutionary trowel is **'READY TO GO'** right from the start...

## SJ-13458BISF, SJ-14458BISF Tyzack Ready to Go Rounded Corner Trowel

- Individually craftsman set blade for optimum performance

## Tyzack Accessories

### Tyzack jointing knives for plastering and drylining...

#### SJ-718F Tyzack Jointing Knife 100mm

Jointing knife with handle ends for knocking back protruding nails

- Suregrip® handles
- Flexible stainless steel blades

#### SJ-719G Tyzack Jointing Knife 150mm

Jointing knife with handle ends for knocking back protruding nails

- Suregrip® handles
- Flexible stainless steel blades

#### SJ-713A Tyzack Support Prop

Provides an extra support on site by holding plasterboards in position to ceilings

- Pistol grip extending action
- Extends from 1.15m to 2.90m
- Universally jointed feet
- Recommended load capacity 30kg

#### SJ-710X Tyzack Mixing Paddle

Hard wearing paddle designed to fit a high power drill and ensure a fast and complete mixing process for mortars and plasters

- Anti-rust chrome finish
- 10mm shaft diameter
- 100mm mixer diameter

#### SJ-712Z Tyzack Board Lifter

Strong one-piece aluminium construction, for the easy positioning of plasterboard and door

- Tapered front end slides easily under boards & holds firmly in place

## Spear & Jackson Plastering Tools

Designed for hardwearing performance, comfort and ease-of-use, this range features soft-feel handles and the highest quality blades for plastering.

Under the Spear & Jackson brand there is a comprehensive range of Plastering tools for both the tradesman and DIY user.

# Plastering Trowels

High quality plastering tools, specifically designed  
for use by the professional tradesman...

## **SJ-550, SJ-551 Plastering Trowel Carbon Steel Soft Feel Handle**

- Lightweight strong die-cast aluminium tang
- Rivets for longer life and added strength
- Carbon steel blade
- Ergonomically shaped soft feel handle

SJ-550 280mm, 6 Pack

SJ-551 330mm, 6 Pack

## **SJ-1061XSSF Plastering Trowel Stainless Steel Soft Feel Handle**

- Lightweight strong die-cast aluminium tang
- Rivets for longer life and added strength
- Stainless steel blade
- Ergonomically shaped soft feel handle

SJ-10611SSF 280mm

SJ-10613SF 330mm

SJ-10614SSF 355mm

## **SJ-380 Plastering Trowel Carbon Steel Timber Handle**

- Lightweight strong die-cast aluminium tang
- Rivets for longer life and added strength
- Carbon steel blade
- Timber handle

## **SJ-10608SF Mini Finishing Trowel Stainless Steel Soft Feel Handle**

- Ideal for working in confined spaces
- Stainless steel blade for longer life
- Soft feel handle for extra comfort
- Ergonomically shaped soft feel handle

# Plastering Hawks & Speciality Trowels

High quality ancillary plastering tools with soft feel & timber handles for comfortable, sustained use...

## SJ-10606U Plasters Hawk Plastic Handle

- Lightweight but strong aluminium blade
- Detachable plastic handle
- Blade size 300mm x 300mm

## SJ-PHSG Plasters Hawk Soft Feel Handle

- Lightweight but strong aluminium blade
- Detachable soft feel handle
- Blade size 330mm x 330mm

## SJ-370 Plasters Hawk Timber Handle

- Lightweight but strong aluminium blade
- Detachable machined non-slip timber handle
- Blade size 330mm x 330mm

## SJ-530, SJ-535 Gauging Trowel Soft Feel Handle

For mixing small amounts of plaster & filling gaps in confined spaces

- Fabricated carbon steel blade
- Soft feel handle with integrated finger guard
- Ergonomically shaped soft feel handle
- Polished and lacquered blade

SJ-530 175mm, 6 Pack SJ-535 200mm, 6 Pack

## SJ-330, SJ-335 Gauging Trowel Soft Feel Handle

For mixing small amounts of plaster & filling gaps in confined spaces

- Fabricated carbon steel blade
- Soft feel handle with integrated finger guard
- Ergonomically shaped soft feel handle
- Polished and lacquered blade

SJ-330 175mm, 6 Pack SJ-335 200mm, 6 Pack

## SJ-10565BSF Bucket Trowel Soft Feel Handle

Ideal for mixing and removing mortar and plaster from buckets

- Cropped blade profile for easy reach right to the bottom of the bucket
- Extra high tang for increased knuckle clearance
- Soft feel handle for extra comfort

# Plastering Ancillary Tools

## SJ-JS10 Jab Saw Suregrip® Handle

- Ideal for use on timber, hardwood, chipboard & MDF
- Comfortable Suregrip® handle
- Teeth cut on forward & reverse stroke
- Pointed to drive through plasterboard
- 330mm blade

## SJ-JSD20 Jab Saw Soft Feel Handle

- Ideal for use on timber, hardwood, chipboard & MDF
- Superior fast action blade
- Impulse hardened cross cut teeth
- Sharpened tip for plunge cuts
- Bi material soft feel handle
- 330mm blade

## SJ-PLASQ Plastering Square

- For marking plaster sheet prior to cutting
- Stainless steel construction
- 210mm

## SJ-RF280 Rendering Float Plastic Handle

- Plastic blade
- Ribbed non slip flexible plastic handle
- Blade size 280mm

### **SJ-SK25 Stiff Scraper 25mm**

- Stainless steel stiff blade
- Rosewood timber handle
- For applying joint fillers, patching, scrapping jobs & trimming wallpapers

### **SJ-SK50 Stiff Scraper 50mm**

- Stainless steel stiff blade
- Rosewood timber handle
- For applying joint fillers, patching, scrapping jobs & trimming wallpapers

### **SJ-SK75 Stiff Scraper 75mm**

- Stainless steel stiff blade
- Rosewood timber handle
- For applying joint fillers, patching, scrapping jobs & trimming wallpapers

### **SJ-SK100 Stiff Scraper 100mm**

- Stainless steel stiff blade
- Rosewood timber handle
- For applying joint fillers, patching, scrapping jobs and trimming wallpapers

### **FP-2030 Footprint Putty Knife - Clipt Point**

- Hardened & spring tempered carbon steel blade to provide long life
- Clipt point
- Hardwood handle

# Plastering Scrapers

## EG-655/01 Flexible Scraper 32mm

- Carbon steel flexible blade
- Plastic handle
- For applying joint fillers, patching, scrapping jobs and trimming wall papers

## EG-655/02 Flexible Scraper 50mm

- Carbon steel flexible blade
- Plastic handle
- For applying joint fillers, patching, scrapping jobs & trimming wall papers

## EG-655/03 Flexible Scraper 75mm

- Carbon steel flexible blade
- Plastic handle
- For applying joint fillers, patching, scrapping jobs & trimming wall papers

## EG-655/04 Flexible Scraper 100mm

- Carbon steel flexible blade
- Plastic handle
- For applying joint fillers, patching, scrapping jobs and trimming wall papers

## EG-655/06 Flexible Scraper 150mm

- Carbon steel flexible blade
- Plastic handle
- For applying joint fillers, patching, scrapping jobs and trimming wall papers

## EG-655/P Putty Knife 105mm

- Carbon steel flexible blade
- Plastic handle
- Used to work putty around the edges of glass panes

# Plastering Sponge Floats

High quality sponge & poly floats...

## SJ-HS280C Hydro Sponge Float Cubed

- Commonly used to clean the grout
- Cube cut
- Soft grip handle
- Blade width 280mm

## SJ-PD101 Sponge Float

For finishing grainy surfaces such as sand and cement mix

- A firm rubber 20mm thick sponge
- One piece polyurethane handle & base
- Blade size 140mm x 230mm

# Plastering Poly Floats

## SJ-PHS300 Poly Sanding Float

- One piece polypropylene handle & base
- Neoprene cushion to improve sanding capabilities
- Mounting bars with screw clamps for sand paper
- Supplied with fine sand paper
- Blade size 280mm x 108mm

## SJ-PA10X Polyurethane Floats

- One piece poly handle & base
- Textured surface
- Lightweight

SJ-PA101 280mm, 6 Pack  
SJ-PA102 320mm, 6 Pack

SJ-PA103 360mm, 6 Pack  
SJ-PA105 350mm, 6 Pack

## SJ-PF100, SJ-PF200 Polypropylene Floats

- One piece polypropylene handle & base
- Textured surface
- Lightweight

SJ-PF100 280mm, 6 Pack

SJ-PF200 340mm, 6 Pack
